

Division for  
Communication, Language, and  
Deaf/Hard of Hearing

November 30, 2019

Mr. Dan Logsdon  
Director  
National Center for Interstate Compacts  
Council of State Governments  
1776 Avenue of the States  
Lexington, KY 40511

Dear Mr. Logsdon,

On behalf of the Division for Communication, Language, and Deaf/Hard of Hearing (DCD), I am writing to express our support for the Audiology & Speech-Language Pathology Interstate Compact (ASLP-IC). DCD is a special interest division of the Council for Exceptional Children (CEC). DCD promotes the well-being, development, and education of infants, toddlers, children, and youth with communication, language and learning differences, ranging from mild to profound, and/or who are deaf or hard of hearing. Because our membership includes audiologists and speech-language pathologists, passage and enactment of ASLP-IC legislation could positively impact a significant number of our members who are providing services across state lines, especially those engaging in telepractice. Therefore, DCD supports the ASLP-IC.

Sincerely,

Suzanne Raschke  
President, DCD
