Dear Mr. Logsdon:

On behalf of the Kansas Speech-Language-Hearing Association (KSHA), I write to express our support for the Audiology & Speech-Language Pathology Interstate Compact (ASLP-IC). KSHA, is the state-level association for audiologists and speech-language pathologists representing over 4000 professionals in Kansas.

Interstate occupational licensure compacts are game changers for professions that want to reduce barriers for practitioners. Like compacts that already exist for nurses, physical therapy, physicians, psychologist and EMTs, ASLP-IC, will enhance licensure portability while simultaneously improving the ability of state boards to protect consumers.

We understand the ASLP-IC will benefit consumers, members and the professions by:

- increasing access to care for patients, clients, and/or students;
- facilitating continuity of care when patients, clients, and/or students relocate or travel to another state; and
- allowing military personnel and spouses to more easily maintain their profession when relocating.

KSHA is excited to support this opportunity for our members. We look forward to supporting the ASLP-IC in Kansas.

Sincerely,

A handwritten signature in black ink that reads "Julie H. Gatts". The signature is written in a cursive, flowing style.
