Dan Logsdon  
Director National Center for Interstate Compacts  
Council of State Governments  
1776 Avenue of the States  
Lexington, KY 40511

Dear Mr. Logsdon: I am writing to express my strong support for the Audiology & Speech-Language Pathology Interstate Compact. I enthusiastically support the ASLP-IC. As the Director of the Program in Communication Sciences and Disorders at the University of Minnesota Duluth I can attest to the fact that our students receive a rigorous education as defined by the Council on Academic Accreditation for Audiology and Speech Language Pathology (CAA). All students who graduate from CAA accredited Programs meet these rigorous standards, thus should be eligible for licensure across states. I am extremely enthusiastic about this much-needed legislation, as it would provide mobility and self-efficacy to our future professionals.

Sincerely,
