Written comments on the proposed rule must be submitted by 2 p.m. ET the day before the meeting.

Effective: TBD

Reason for Rule: To further define terms pursuant to Section 8.C.6 and 10 of the ASLP-IC.

History for Rule: 2/9/2023: Initial discussion

Chapter 2: Rulemaking on Coordinated Licensure Information System

Authority: Section 8: Establishment of the Audiology and Speech-Language Pathology Interstate Compact Commission

Section 10: Rulemaking

2.0 Purpose: Pursuant to Section 8.C.6 and Section 10, the Audiology and Speech-Language Pathology Interstate Compact Commission shall promulgate reasonable and lawful uniform rules to facilitate and coordinate implementation and administration of the Audiology and Speech-Language Pathology Interstate Compact. This rule will become effective upon passage by the Audiology and Speech-Language Pathology Interstate Compact Commission as provided in Section 10 of the Audiology and Speech-Language Pathology Interstate Compact.

2.1 Uniform Data Set and Levels of Access:

A. The Commission shall provide for the development, maintenance, and utilization of a coordinated database and reporting system containing licensure, adverse action, and investigative information on all licensed individuals in member states.

B. Notwithstanding any other provision of state law to the contrary, a member state shall submit a uniform data set to the data system on all individuals to whom this Compact is applicable as required by the rules of the Commission, including.

ASLP-IC Statute	Suggested for Rule
Identifying information;	<ul style="list-style-type: none"> • The audiologist’s or speech-language pathologist’s name; • The applicant or audiologist’s or speech-language pathologist’s United States social security number;
Licensure data;	<ul style="list-style-type: none"> • Jurisdiction of licensure; • License expiration date; • Licensure classification, license number and status;
Adverse actions against a license or compact privilege;	<ul style="list-style-type: none"> • A change in the status of a disciplinary action or licensure encumbrance; • Status of privilege to practice privileges; • The existence of current significant investigative information; • Summary suspension and final disciplinary actions, as defined by the contributing state authority; • Information that is required to be expunged

	by the laws of a party state;
Non-confidential information related to alternative program participation;	<ul style="list-style-type: none"> • Current participation in the audiology or speech-language pathologist in an alternative program;
Any denial of application for licensure, and the reason(s) for denial; and	
Other information that may facilitate the administration of this Compact, as determined by the rules of the Commission.	<ul style="list-style-type: none"> • A correction to a licensee's data;

C. The public shall have access to items (1)(a) through (g) and information about a licensee's participation in an alternative program to the extent allowed by state law.

D. Investigative information pertaining to a licensee in any member state shall only be available to other member states.

E. The Commission shall promptly notify all member states of any adverse action taken against a licensee or an individual applying for a license. Adverse action information pertaining to a licensee in any member state shall be available to any other member state.

F. Member states contributing information to the data system may designate information that may not be shared with the public without the express permission of the contributing state

G. In the event an audiologist or speech-language pathologist asserts that any Coordinated Licensure Information System data is inaccurate, the burden shall be upon the audiologist or speech-language pathologist to provide evidence in a manner determined by the party state that substantiates such claim.

H. A party state shall report the items in the uniform data set to the Coordinated Licensure Information System within fifteen (15) calendar days of the date on which the action is taken.

I. Any information submitted to the data system that is subsequently required to be expunged by the laws of the member state contributing the information shall be removed from the data system.
