Dear Larry,

My name is J. Lacy Hoyer-Helms, and I currently serve as the President of the Colorado Speech-Language-Hearing Association (CSHA). On behalf of our organization, I am writing to express our enthusiastic support for the Audiology & Speech-Language Pathology Interstate Compact (ASLP-IC).

CSHA recognizes the immense benefits that the ASLP-IC will bring to consumers, our members, and the professions as a whole. The compact's focus on increasing access to care, facilitating continuity of care for individuals who relocate or travel, and easing the process for military personnel and their spouses aligns perfectly with our commitment to promoting excellence in our field while prioritizing the needs of those we serve.

CSHA is excited to lend our full support to the ASLP-IC in Colorado. We are eager to work collaboratively with stakeholders to help advance this initiative and ensure its successful implementation. If there are any further actions or information needed from our end to support the ASLP-IC, please do not hesitate to reach out to us. We look forward to seeing the positive impact it will have on our profession and the individuals we serve.

Warm regards,

J. Helms, President 4/15/2024
