Pursuant to Section 8.E.3.a., the Executive Committee shall have the following duties and responsibilities: Recommend to the entire Commission changes to the rules or bylaws, changes to this Compact legislation, fees paid by Compact member states such as annual dues, and any commission Compact fee charged to licensees for the compact privilege.

5.1 Definitions:

A. "Dispute Resolution" means processes such as negotiation, mediation, or arbitration used to resolve conflicts or claims outside of traditional court litigation.

5.2 Dispute Resolution:

A. In accordance with Section 11 of the Compact, in the event that two (2) or more member states have a dispute, the parties shall attempt resolution following the steps set out in this rule.

B. The parties shall first attempt informal resolution. The delegates and appropriate staff in the member states involved in the dispute shall first contact each other. Delegates and/or appropriate staff shall submit a written statement describing the situation to the other delegates and/or appropriate staff

36 involved in the dispute. Each member states' delegates and/or appropriate staff may submit a response.
37 The submission of the statement and the response shall be in a mutually agreed upon time. If the
38 dispute is related to an interpretation of the Compact, the parties shall contact the Executive Director to
39 request assistance from the Executive Committee. If all issues are resolved, no further action is required.
40 If any issue remains unresolved, the parties shall notify the Executive Committee, through the Executive
41 Director, to request mediation and provide the Executive Committee with a concise statement of
42 unresolved issue(s) and analysis including references to ASLP-IC statutes, rules and any supporting

44 by the Compliance Committee, its recommendations will be sent to the parties and the Executive
45 Committee for further review.

46

53 1. The costs of mediation shall be equally shared by all member states involved.
54
55 2. All member state delegates and/or appropriate staff shall be notified of all issues and disputes
56 that rise to the mediation stage in order to comment on those matters and disputes that may
57 impact all member states.
58
59 3. In the event of a dispute between member states that was not resolved through informal
60 resolution or mediation, the member states shall submit to binding dispute resolution. The
